17 September 1948

Draft - GAI No. 14
(Retirement Fund Instructions)

334

1. In paragraph 6, a revision is suggested by the inclusion of the words on line 2, beginning "provided that" through the words on line 4, "an annuity".

2. It is believed that the inclusion of paragraph 7, entitled, "Voluntary Contributions" is advisable in order to inform employees of the possibility of increasing their annuities.
